

THE 2022 WINNER COULD BE YOU!

PEOPLE'S CHOICE

Did your company complete a signature piece in 2022, something so incredible you'd like to share it with your peers? Enter it to win the People's Choice Award. This is the category where you can show off anonymously and let your peers decide if your work is as good as you think it is. Entries are identified by number only, and put on display for viewing and judging by the attendees of the PICA Awards Banquet. A ticket ballot will determine the winner, who will be announced live at the Awards Banquet. The winner of the People's Choice Award, the year they won, and the name of the winning piece will be featured on the trophy, which the winner will host for one year.
